## Art Fair

On May 19th, 4:30-7:30pm, Oak Grove will be having an Art Fair for grades K-2. Our students have been working hard on a special art project and would like to share their work with you! You should have gotten a flyer in your child's Monday folder. If you would like to attend please fill out the flyer and send it back to school so we can prepare the artwork! Each student that comes to the Fair will have their artwork framed, this does not mean that you must buy the frame, your child will still receive their artwork back. If you do choose to buy the frame Oak Grove gets 20% of the sales! If you have further questions about the Art Fair please check out the display case in the lobby at school, or email Miss Bogner.

CAM & NC State College of Design are offering a series of summer art+design camps for middle school students at Marbles Kids Museum!

Re-imagine the world around you through the lens of art + design. From the buildings above you to the shoes on your feet, someone has designed everything that you see.

Unleash your creativity in a week-long series of fun and innovative art and design projects developed by CAM (Contemporary Art Museum) and NC State College of Design.

Plenty of room is still available!
